

# Heavy Metals in Packaging Certificate of Compliance

Form 35664 - C

We certify that:

1. All packages and package components sold to 3M Company and its affiliates ("3M Entities") by our company or any affiliates (the "Sold Packaging") comply with (a) the heavy metals content requirements of the Coalition of Northeastern Governors ("CONEG") Model Toxics in Packaging legislation as enacted by various states; and (b) the heavy metals content requirements of the European Parliament and Council Directive 94/62/EC on Packaging and Packaging Waste ("Directive 94/62/EC").
2. The sum concentration levels of lead, mercury, cadmium and hexavalent chromium added together in any Sold Packaging do not exceed more than 100 parts per million by weight.
3. Any Sold Packaging that is part of a finished packaged product also meets the Essential Requirements on the Composition and the Reusable and Recoverable, Including Recyclable, Nature of Packaging in Annex II of Directive 94/62/EC.
4. We will monitor and inform 3M of changes made on our part or by our suppliers that may affect the status of this certification.
