14. Payment Address: For All Locations*, payment should be sent to:
3M
NW 9045
P. O. Box 1450
Minneapolis, MN 55485-9045

*Note: Except for 3M Puerto Rico. For Puerto Rico, remittances should be sent to the ordering address shown above.

15. Warranty Provision: Before using the product, Purchaser must evaluate it to determine if it is suitable for its intended application. Purchaser assumes all risks and liability associated with such use. 3M's product warranty is stated in the product literature and available upon request. If the product is defective within the stated warranty period, the exclusive remedy shall be for 3M, at its option, to replace or repair the 3M product or refund the purchase price of the 3M product. 3M makes no other warranties, including but not limited to, any implied warranty of merchantability for a particular purpose.

Product Use: User is responsible for evaluating and determining whether or not 3M product is suitable and appropriate for a particular use and intended application. Please remember that the conditions of evaluation, selection and use of a 3M product can vary widely and affect the use and intended application of a 3M product. Because many of these conditions are unique within the user's knowledge and control, it is essential that the user evaluates and determines whether the 3M product is suitable and appropriate for a particular use and intended application.

Limitation of Liability: Except where prohibited by law, 3M shall not under any circumstances be liable to buyer for any direct, indirect, special, incidental or consequential damages (including, but not limited to, loss of profits, revenue, business, opportunity, or goodwill) resulting from or in any way related to 3M products or the sale of 3M product. This limitation of liability applies regardless of the legal or equitable theory under which such losses or damages are found including breach of contract, breach of warranty, negligence, strict liability, or any other legal or equitable theory. This limitation of liability does not apply to claims for personal injury by a third party or direct damages due to breach of a material obligation under an Order.

Excusable Delay. 3M shall not be liable for failure to perform if performance is prevented, restricted, or interfered with by reason of fire or earthquake or other casualty or accident; inability to procure materials, power or supplies; war or other violence; any law, order, proclamation, regulation, ordinance, demand, or requirement of any government agency, court or intergovernmental body; environmental, health, safety or regulatory reason as reasonably determined by 3M; or any other act or conditions whatsoever beyond the reasonable control of 3M. 3M, when so affected and upon giving notice to Buyer, shall be excused from such performance to the extent of such prevention, restriction, or interference; provided that 3M shall use its reasonable efforts to avoid or remove such causes of nonperformance and shall continue performance with the utmost dispatch whenever such causes are removed. In the event of back-order or other limited supply or availability of product for whatever reason, 3M reserves the right, in its sole discretion and in a manner that it determines to be equitable under the circumstances, to allocate production capability related to and supply of product that is in back-order or limited supply.

16. Export Packing Charges: Not available.
17. Terms and conditions of government credit card acceptance: Accepted at all levels.
18. Terms and conditions for rental, maintenance and repair: Not applicable.
19. Terms and conditions of installation: Not applicable.
20. Terms and conditions of repair parts: Not applicable.
21. List of service and distribution points: Not applicable.
22. List of participating dealers: Not applicable.
23. Preventative Maintenance: Not applicable.
24. Environmental attributes. As indicated in individual product description.
25. 3M Corporate DUNs is 006-617-3082
26. 3M is registered in the Central Contractor Registration database using CAGE 76381.

RETURN GOODS POLICY

Subject to any specific agreement between 3M EMMD and the customer, 3M EMMD will accept return of all standard products according to the following process and criteria:

3M must authorize the return prior to goods being physically returned to 3M. To obtain authorization and return instructions, please call your 3M Chemicals Customer Service Representative at 800-810-8513. You will be provided a return authorization number, which must accompany the product being returned to 3M.

When requesting a return authorization, you will be required to provide product number (product code), Lot number, your purchase order and/or 3M invoice number, so that 3M can verify date of purchase and purchase price.

When 3M receives the goods at the designated return location, 3M will physically inspect them. Credit will be provided by 3M only if the returned goods are in saleable condition, and if the product is in sealed, unopened containers when received by 3M. Whether returned goods meet these criteria is within 3M's sole discretion. 3M will determine how to dispose of any returned goods.

If it is necessary for goods to be returned because of a 3M error (e.g. shipping error, wrong product or product failing to meet 3M specifications) return freight will be arranged for and paid by 3M. If the return is for any other reason, return freight must be paid by the customer.

Credit will be issued for returned goods meeting the stated criteria as follows:

- Product returned within two (2) months of purchase date - full credit.
- Product returned later than two (2) months after purchase date, but within shelf life or within one year of purchase, whichever is earlier - full credit, less 20% restocking fee.
- Product returned after shelf life has expired, or more than one (1) year after purchase date, whichever is earlier - no credit.

3M Chemicals Sales and Customer Service Representatives will assist you to ensure authorization of your requested return and appropriate credit based on the above criteria. Invoice deductions for any return must be approved by 3M EMDM Customer Service and must reference the return authorization number.

Please contact your 3M Customer Service Representative with any questions you may have regarding the 3M EMDM Return Goods Policy at 800-810-8513.

STEPS TO FOLLOW THE 3M CHEMICALS RETURN GOODS POLICY

- A. Call your 3M Customer Service Representative at 800-810-8513.
- B. Provide the following:
 - ◆ Reason for return
 - ◆ Product identification
 - ◆ Lot number of product
 - ◆ Customer purchase order number
 - ◆ 3M invoice number
- C. 3M will issue a Return Authorization number and instructions regarding physical return of product. The Return Authorization number must accompany the goods being returned.
- D. Credit will be determined by attached policy.

If you have questions regarding return of product to 3M, call 800-810-8496.

Orders must be placed in “shipping container” quantities only.

Product Environmental Attributes:

3M Novec Engineer Fluids are nonflammable and low in toxicity. They have zero ozone-depletion potential, short atmospheric lifetimes and are low in global

Warming Potential. And, because of their thermal and chemical stability, Novec Engineered Fluids are easily recovered for almost indefinite re-use, generating virtually no liquid waste. Novec Fluids are accepted for use by major regulatory bodies around the world.

Novec fluids HFE-7100 and HFE-7200 have been approved without restrictions under the Significant New Alternatives Policy (SNAP) of the U.S. EPA.

Novec fluids HFE-7100 and HFE-7200 have been excluded by the U.S. EPA from the definition of a volatile organic compound (VOC) on the basis that these compounds have negligible contributions to tropospheric ozone formation.

Novec fluid HFE-7200 has received the Clean Air Solvent Certificate from the South Coast Air Quality Management District (SCAQMD).
